LOW WATER CHICKEN SKINNER – 12- 18- AND 24-INCH OPTIONS

Models: CSK-H2L-12
CSK-H2L-18, CSK-H2L-24

The CSK H2Low-Series Skinners are the industry's most simple and durable solution for skinning bone-in and boneless chicken products. Available in belt widths of 12, 18 and 24 inches. Prime skinners use a patented, bladeless skinning design that provides superior yield, consistent performance and excellent product quality.
