TURKEY BREAST CLEANER (DEFATTER)

Model No. TBC-4

BEFORE

AFTER

The TBC-4 Turkey Breast Cleaner (defatter) is a safe and labor-saving solution for turkey breast fat removal. The TBC-4 uses peeler rollers to remove fat layers while reducing the inconsistencies of manual trimming with a compact and customizable design that is perfect for in-line operation. The TBC-4 maximizes labor savings by requiring only a single operator, while also reducing the need for trim labor down-line.
